SECTION TWO - COURSE SELECTION

This section enables you to state clearly what your course choices are.

If you are likely to gain at least **5 GCSEs at Grade 4 or above**, then you can consider **Level 3 courses (A level and equivalent)**.

Students taking Level 3 courses should pick four subjects from the selections below.

In addition, all students in Sixth Form follow a certified programme in General RE.

English & maths resit lessons will be compulsory for students who achieve less than a grade 4 at the end of Yr11. If this is the case, then you will only study 3 Level three courses instead of four.
