### Year 13 Parents' Evening

Dear Parents and Carers

This is a vital year in your child's education with important thinking and decisions to be made about future plans. Crucial to this will be the final qualifications your child achieves at the end of Year 13. Many of our students undertook AS examinations in the summer and received those results in August. Other students are studying for Level 3 qualifications that also now include an examined element.

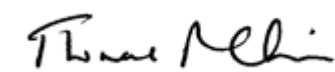

Our Parents' Evening will provide the opportunity for you and your child to receive feedback on their performance so far from their individual subject teachers and will identify the key areas that will need to be addressed this year for your child to maximise their results by the end of Year 13.

**Year 13 Parents' Evening is being held on Wednesday 19<sup>th</sup> September 2018 from 4pm- 7pm.** I do hope you are able to join us on this evening as we continue in our partnership to support and challenge your child to realise their full potential.

Yours sincerely
