

SMCC Homework Expectations

Year 10

Subject	Homework
Art	Homework is set weekly through Google Classroom. Practical homework requires students to either work on a continuous piece of artwork independently or create artist pages
Business	Set fortnightly in the form of revision tasks or coursework assignment write-ups. Instructions are given in lesson and all homework is set on Google Classroom. All support material and teacher presentations are available for students.
ChildCare	Set fortnightly and normally comes in the form of revision, research, practice tasks or coursework assignment write-ups. Instructions are given in lesson and all Homework is set on Google Classroom alongside any relevant support materials.
Dance	Homework can be practical work - asking students to come to the studio either in lunchtime, after school to practise at home or written, set on Google Classroom and have a link to the theory of dance.
Drama	Set fortnightly with instructions on Google Classroom or paper copies if required. When practical-based, it may require students to either learn lines independently or attend a group rehearsal. If there are any problems with homework parents will be informed through Arbor and home contact.
DT	Set weekly and usually submitted on Google Classroom. Occasionally revision or coursework tasks will be set.
English	Once a week through Google Classroom or on paper from class teacher.
Engineering	Homework is set weekly and usually submitted on Google Classroom. Occasionally, revision or coursework tasks will be set.
Food	Weekly paper based task set, copies provided in Google Classroom.
French	Homework set on Google Classroom - weekly: a Seneca or Quizlet. Students must do all activities and can repeat them. New vocabulary will also be handed out to learn during weekends.
Geography	Students will be set weekly activities through a paper booklet and also via Google Classroom. A Seneca Assignment will be set to support knowledge retention on Google classroom
Health & Social Care	Set fortnightly and normally comes in the form of revision, research, practise tasks or coursework assignment write-ups. Instructions are given in lesson and all Homework is set on Google Classroom alongside any relevant support materials.

History	Homework will be set weekly, via Google Classroom. Seneca will be set to consolidate classroom learning and to practice exam skills. Exam questions will be set to give students the opportunity to practice and apply their historical knowledge and skills.
ICT/Computing	Homework will be set at least fortnightly, all homework will be set on Google Classroom. Homework will take a number of different formats due to different courses/topics. Students completing vocational assignments may be expected to continue to work on their coursework assignments if in line with exam board instructions. All coursework tasks are set on Google Classroom and accessible from home.
Maths	Homework will be set weekly on a Thursday on www.sparxmaths.com , and is due at 3pm on Tuesday. Details of how to login are available on Google Classroom and at the back of all exercise books. Paper-based homeworks will be set every 4 weeks.
Media	Set fortnightly on google classroom. This will need to be done either in their exercise books or on google classroom. The work set will support the learning in the classroom. This will be research based/written tasks or exam questions.
Music	Set once a fortnight, with instructions being set on Google Classroom. Tasks will vary from exam style questions to completion of Classroom based or coursework tasks.
Psychology	Set fortnightly and normally comes in the form of revision, research, practise exam questions. Instructions are given in lesson and all homework is set on Google Classroom alongside any relevant support materials.
P.E	Homework is set at least once a week. We frequently use the Everlearner platform https://theeverlearner.com/ . Students have all been issued with login details and they complete differentiated tasks based on their individual gaps in learning. Immediate feedback is given via the platform and students have the opportunity to complete extra tasks to boost performance.
R.E	Weekly or fortnightly depending on the task and set on Google Classroom.
Science	Homework will be set via Google Classroom with paper copies available. For each unit of work students will have a key word definition homework, exam question homework and activities set through Seneca learning.
