

SMCC Homework Expectations

Year 13

Subject	Homework
Art	Homework is set weekly through Google Classroom. Practical homework requires students to either work on a continuous piece of artwork independently or create artist pages.
Business	Set weekly in the form of revision tasks or coursework assignment write-ups. Instructions are given in lesson and all homework is set on Google Classroom. All support material and teacher presentations are available for students.
Childcare	Set fortnightly or more frequently, for each unit / topic taught. Instructions and worksheets are given in class if applicable but it is always set on Google Classroom too.
Dance	Homework can be practical work - asking students to come to the studio either in lunchtime, after school, to practice at home or written, set on Google Classroom and have a link to the theory of dance.
Drama	Set weekly with instructions are on Google Classroom and paper copies if required. When Practical-based, it may require students to either learn lines independently or attend a group rehearsal. Occasionally, revision or coursework tasks will also be set. If there are any problems with homework parents will be informed through Arbor and home contact..
D.T	Set weekly in the form of revision tasks or coursework assignment write-ups. Instructions are given in lesson and all homework is set on Google Classroom. All support material and teacher presentations are available for students.
English	Homework is set weekly and will include research, reading preparation, notes to contribute to group tasks/discussions and extended writing in response to exam style questions.
Food	Set weekly in the form of revision tasks or coursework assignment write-ups. Instructions are given in lesson and all homework is set on Google Classroom. All support material and teacher presentations are available for students.
French	Homework set on Google Classroom - usually a Quizlet for vocab learning as well as grammar and other topic based assessed language skills. One essay per cycle is also set.
Geography	Once a week with directed reading in preparation for the next lesson as needed. Some homework will be used for flipped learning - to inform the discussion in the next lesson. Sometimes homework will be to support application of knowledge (e.g. exam style questions) and demonstrate understanding from the lessons. In addition; webinars, revision sessions and reading will be shared and sign posted through GC. Students should also complete their Independent Investigation and meet milestone checkpoints so that the overall submission deadline is met.

Health & Social Care	Set fortnightly and normally comes in the form of revision, research, practice tasks or coursework assignment write-ups. Instructions are given in lesson and all Homework is set on Google Classroom alongside any relevant support materials.
History	Homework will be set weekly, via Google Classroom. Paper copies will also be available. The tasks will take the form of either reading, structured research to prepare pupils for future lessons or set A Level style questions designed to extend pupil knowledge and give additional practice for their final examinations. Self- revision will be expected as standard.
ICT/Computing	Homework will be set weekly, this will be in the form of revision tasks or past exam questions.
Maths	Each week students will also be provided with past paper style questions or exercises to complete. .
Media	Set once a fortnight, with instructions being set on Google Classroom. Tasks will vary from exam style questions to completion of Classroom based or coursework tasks.
Music	Set once a fortnight via Google Classroom. Students are currently preparing repertoire for their external recital unit so this is bespoke practical recital work.
P.E	Homework is set at least weekly based on the assessment plan. The Everlearner platform https://theeverlearner.com/ is also used to complete differentiated tasks based on individual gaps in learning. Students will also have the opportunity to use this platform for personalised revision, through watching videos and completing exam style questions. Students will also use Google Classroom to continue working on assignments according to the assessment plan.
Psychology	Homework is set at least once per fortnight on Google Classroom, for each topic taught. It takes a range of forms including revision and answering exam style questions.
R.E	Weekly, set on Google Classroom all students will have a revision folder, booklets and homework to match this.
Science	Approximately 2 hours of homework set each week in each subject - this will be specific to the subject but will most likely include the following; exam practice, self assessment and reflection, practical write up, research or flipped learning and evidence of revision techniques.
Sociology	Homework is set at least once per fortnight on Google Classroom, for each topic taught. It takes a range of forms including revision and answering exam style questions.
