

# YEAR 8 HOMEWORK EXPECTATIONS

|                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>ART</b>       | Homework is set as a ongoing contextual research project found on google classroom to deepen the understanding and knowledge on Artist studied during the unit and support practical work - pupils will explore their own opinions and analyse Art through ongoing research and quizzes.                                                                                                                                                       |
| <b>DT</b>        | A homework task will be set every two lessons through Google Classroom.                                                                                                                                                                                                                                                                                                                                                                        |
| <b>ENGLISH</b>   | Homework is two hours of reading each two weeks and is set and checked fortnightly at reading lessons. Pupils should bring their signed, updated booklet to each reading lesson to show that they have been reading. Pupils will also be expected to complete their daily goals on Tassomai.                                                                                                                                                   |
| <b>FOOD</b>      | A homework task will be set every two lessons through Google Classroom.                                                                                                                                                                                                                                                                                                                                                                        |
| <b>FRENCH</b>    | Homework set fortnightly WEEK A on Google Classroom - It covers the vocabulary necessary to make progress in the half term topic. The sentence builders must be used to do retrieval practice and review new words introduced in lessons.                                                                                                                                                                                                      |
| <b>GEOGRAPHY</b> | Set each week through Google Classroom. - usually Seneca Learning assignment to consolidate classroom learning. Seneca can also be accessed through parent's signing up to a parental account.                                                                                                                                                                                                                                                 |
| <b>HISTORY</b>   | Set each week through Google Classroom. - usually Seneca Learning assignment to consolidate classroom learning. Seneca can also be accessed through parent's signing up to a parental account.                                                                                                                                                                                                                                                 |
| <b>ICT</b>       | Homework will be set 3 times per unit of work, via Google Classroom. The first two homework will be set as a Google Form or using other online tools such as Kahoot!. The homework is accessible on a wide variety of devices including mobile phones. The forms will be set up to provide the students with some immediate feedback. The final homework will be a revision homework and will include a knowledge organiser as a revision aid. |
| <b>MATHS</b>     | Homework will be set weekly on a Thursday on <a href="http://www.sparxmaths.com">www.sparxmaths.com</a> , and is due at 3.30pm on Tuesday. Details of how to login are available on Google Classroom and at the back of all exercise books.                                                                                                                                                                                                    |
| <b>RE</b>        | Weekly or fortnightly depending on the task and set on Google Classroom.                                                                                                                                                                                                                                                                                                                                                                       |
| <b>SCIENCE</b>   | Students will complete 4 daily goals through their homework platform Tassomai. This will be checked by their class teacher during a lesson each week which will be confirmed via Google classroom. Guardians will receive a weekly update from Tassomai on their child's progress.                                                                                                                                                             |
| <b>PE</b>        | Students informed to further their knowledge and understanding through watching videos linked to develop thier subject knowledge on the skills of games we are due to learn in PE lessons. Students also encouraged to attend extracurricular sessions at Lunchtimes and afterschool to further develop their subject knowledge and address misconceptions on knowledge.                                                                       |
